

**Proposed Amended Snow Parking Regulation:**

**A.**

Whenever a snow emergency is declared by a duly designated Village officer, alternate side of the street parking shall be in effect for the duration of the emergency and shall commence at the time the declaration is made. On even-numbered days, parking is permitted only on the even-numbered side of the street. On odd-numbered days parking is only permitted on the odd-numbered side of the street. A restricted day runs from 8:00 a.m. to 8:00 a.m. the following day.

**B.**

Alternate side parking will remain in effect until snow is removed from the street.
